## MAY 2019 NEWSLETTER

Dear Patron

For the past couple of years, some Maine authors have chosen two books, a fiction and a nonfiction, to be read and discussed by adults all over the state of Maine during the summer. Many people have enjoyed reading the same books and being able to discuss them with people all over the state of Maine.

This year's fiction book, chosen by author Tess Gerritsen, is *Paris Was the Place* by Susan Conley, which she describes as "...both delicious and poignant, a tale of love and loss and, ultimately, hope..." Her nonfiction choice is *After the Eclipse: A Memoir* by Sarah Perry which Gerritsen says is "...both a gripping mystery and a heart-breaking love letter to the fiercely devoted mother she lost".

Rangeley Public Library has two copies of each of these books available for checkout so that you can participate in this summer reading adventure. Stop by and pick up your copy today!
