

RANGELEY PUBLIC LIBRARY July 2021 Newsletter

Dear Scott,

I am so excited to announce that we will be offering some special programs this summer. After spending a lot of time planning last year, only to have to cancel all of our programs, I was reluctant to put a lot of time into program planning this year when we still did not know what summer 2021 would look like. However, we made some tentative plans, hoping that the pandemic would improve and restrictions would lift. Obviously, that is exactly what has happened, and now I am happy to be able to share with you our plans for July. Please look below for book talks, children's events, and more.

Sincerely,

Janet Wilson, Director
