

Dear Library Patron,

June brings some changes to the Rangeley Public Library. First, we are sad to announce that Erykah, who has been with us now for over four years, is moving on to new opportunities in southern Maine. While we will miss Erykah, we wish her all the best in her new endeavors.

Many of you have met Jenna who started working at the circulation desk back in March. She is going to be taking over Erykah's position as cataloger. If you have not already had a chance to meet Jenna, stop by and introduce yourself! I am sure that you will find Jenna to be welcoming and helpful.

Another change at the library is, thankfully, only temporary. Due to some unexpected delays in the State Library's contract bidding for the van delivery system in the upcoming fiscal year, there is going to be a gap in coverage for the van delivery service. This means that interlibrary loan service for the entire state of Maine will cease for at least a month beginning July 1st. While this is not optimal, particularly at our busiest time of the year, our patrons will still have access to Rangeley Public Library's complete collection. We will just be unable to send to and receive from other libraries until the van delivery contract is completed. We are sorry for any inconvenience this may cause.

Hope to see you soon!
