## September 2024 Newsletter

Dear Library Patron,

I can't believe I am writing the end-of-summer newsletter. But, since August felt more like fall, I am hoping that September feels more like summer! And we *do* have something to celebrate in September: the return of van delivery! Starting on September 3rd, we will once again be able to request books and other items from other Maine libraries! So, if you have been waiting for a certain item that Rangeley Public Library does not own, your time of waiting is almost over! We do ask that patrons request in moderation as we restart the delivery service so that we do not overwhelm our new delivery folks as they get used to their new routes. The Maine State Library has asked that each person limit their requests to no more than two or three items in the first few weeks of September just to allow for a smooth start-up. Our new van delivery day will be Friday, so you will be getting notified of book arrivals at the end of the week now, just in time for weekend reading!

Hope to see you soon!
